

2020 SENIOR INTERVIEWS

As our seniors prepare to reach for their goals and strive for success, we are proud to host our 2020 **Bloom Township High School Senior Interviews!**

After lots of learning and preparation our Bloom and Bloom Trail seniors will get to demonstrate their ability to be punctual, attentive, articulate, and focused on their futures (personally and professionally) in a series of interviews with business professionals and members of our community.

We encourage all of our seniors to take part and to dress for success!
