Subject: Introducing 24/7, Free Academic Support for Students

Dear Bloom High School Families,

We are thrilled to announce that Bloom High School has partnered with Paper to provide free, 24/7 access to 1-on-1 tutoring and writing support for all 9th, 10th, 11th, and 12th grade students. There's a lot to be excited about with Paper's Educational Support System, including:

- 1:1 live-chat tutoring sessions with subject-matter experts in over 200 subjects and four different languages,
- Engaging educational videos and math games to expand student learning in and out of the classroom,
- Expert review on any written work (essays, creative writing, poetry, lab reports, etc.),
- Reading fluency and comprehension practice,
- And so much more!

Your student(s) can access this incredible resource today! Have them go to app.paper.co, search for their school, and login to start a tutoring session. You and your student can also download the [Paper mobile app](#) for additional access anytime, anywhere.
